## SCHOLARSHIP REQUEST FORM

The Peterborough Children's Choir offers financial aid to those choir families who need assistance with tuition payments. Although we try to accommodate every request in full—we believe that no qualified singer should be denied membership in the choir for financial reasons—the allotment of aid in a given semester will depend on available funds and number of requests we receive. By filling out and signing this form, you acknowledge both a need for assistance and an obligation to ensure your daughter or son's participation in the choir for the full semester.
